# SOUL STIRRER

## Gratitude

Begin your day by thanking God, for giving you **ANOTHER DAY TO EXPLORE**

## Feed if you can

Feed animals and birds during this vacation whole heartedly. Keep earthen vessels filled with grains and water on your roof tops and enjoy feeding them.

## Being human

**"Every charitable act is a stepping stone towards heaven"**

Donate lots of your outgrown clothes, old toys, books, stationery items fruits and feel the bliss.

## Reading Time

Make it a regular habit during vacation as **"Reading maketh a full man"**

Improve your reading skills and feed your brain with good books.

## Dexterity with fingers

Writing is the reflection of our personality and creating dashing personalities of Montogomerians is our primary motto. Hence practice, practice and practice till perfection is achieved.

## Physically Active

All day work and no play makes **JACK AND JILL LAZY KIDS.**

Play outdoor games as much as you can. As a sound mind lives in a healthy body so play a lot and enjoy recreational activities and make your body healthy.

## Compassion towards Grandparents

Thank them for all that they do for you. Spend a lot of time with them and also look after them besides being there helping hands.

## Use Magical words
