With great reverence, we bow..... before the In-finite Spirit for giving us power & energy and direction ...to march tirelessly towards continuous progress.

My heartfelt gratitude to all the worthy members of M G N Educational trust..... who have always encouraged us to do ,.... dare and act out our aspirations. Their dynamic approach and futuristic vision has always guided us to constantly upgrade the approaches and techniques to remain current and relevant

I value..... & acknowledge relentless efforts of my team of Co-ordinators , Spirited & committed teachers, Non-teaching, Technical , Transport ,Support staff and Student's council who have worked energetically to make this spectacular event a huge success.

Special mention and thanks the parents who always have joined us in our endeavour to impart best academic and social skills to the children.

Thank you for optimally using the dedicated Special number 8 2 6 4 0-3 3 2 9 4.

Being the elite species, its our prime responsibility to control the damage done to Nature and Environment. Floods in Punjab and Himachal during Monsoon, this year cry out loud the repercussions of global warming. To mitigate the situation, lets pledge to be sensitive and respectful to Nature and Environment.

Lets create and not waste Nature. My humble request to you all is :

Don't burst crackers.

Don't waste water.

Don't waste energy.

Before We delve into mesmerizing celebrations, I would like to share with you with immense elation and pride that next year in 2024, MGN is ushering into it's 50th Year. The celebrations would be of two days, one day being fully dedicated to our Alumni represented by OMA.

Wish you all a Peaceful & Prosperous Diwali and GURPURAV and other upcoming festivals.

THANK YOU

Now I invite you to watch the thematic Show 'Ayushman' - A leap towards health and wellbeing.
