We are profoundly grateful to the Divine for shaping our journey, inspiring us to thrive for excellence and bestowing upon us wisdom, strength and unity.

My heartfelt gratitude to all the worthy members of MGN Educational trust

my team of Co-ordinators, Teachers, Non-teaching, Technical, Transport, Support staff, Student's council and parents who have always supported and joined us in all endeavours.

Thank you for optimally using the dedicated Special number 8 2 6 4 0-3 3 2 9 4.

In today's era of digitalisation we have lost connection with ourselves, people, nature and cosmos. This is adversely affecting our mental and physical health. Cases of loneliness, depression, anxiety, social isolation,

decreased self-esteem are increasing at an alarming rate. It's time for all of us to wake up and act before it's too late. My humble request to you all is to shun excessive use of screen.

Break this vicious circle and become a partner in respecting nature and environment.

Lets create and not waste. My humble request to you all is:

Don't burst crackers.

Don't waste water.

Don't waste energy.

Lets respect Guru Nanak's Teaching ਪਵਣੁ ਗੁਰੂ ਪਾਣੀ ਪਿਤਾ ਮਾਤਾ ਧਰਤਿ ਮਹਤੁ ॥

Wish you all a Peaceful & Prosperous Diwali and Gurburav and other upcoming festivals.

THANK YOU
